## Our target.....

To provide for Sue and the children I need a salary of £20,000 per year

Each DECLARE! staff member trusts God to supply their salary through gifts from churches and friends

This could work out like this:

- 4 people giving £100 per month
- 12 people giving £50 per month
- 22 people giving £25 per month
- 15 people giving £10 per month

With Gift Aid DECLARE! can reclaim tax you have paid on your gift!

Will **you** help me fulfil God's call to DECLARE! right answers and right messages to others who are listening and looking in the wrong places?

Jesus said, "I am the way the truth and the life." (John 14:6)

60 million people in the UK

Where are they looking?

Who are they listening to?

Less than 5 million go to Church

How will everyone hear the good news of Jesus?

Who can do it?

**Wrong answers from wrong places**      **Wrong messages from wrong people**

## Specific activities of DECLARE!

## Jim and Sue Martin's presentation album (iii)

### Why me?

- We also looked in the wrong places for life's answers
- Never been to church
- Didn't really know who Jesus was
- But God chose us!
- Now he's calling me to use my skills to help others hear about Jesus

### How can I make a difference?

- Available (redundancy)
- IT and admin skills
- DECLARE! needs to make full use of modern technology to communicate effectively to 55 million people
- Every field evangelist gets the support and resources from the admin office team

It's like getting man into space .....

### How Jim fits into the picture

To send up one of these.....

Takes 20 of these.....

Over 20 key backroom Mission Control specialists are needed to launch one space shuttle

In the same way DECLARE! field evangelists and trainers need key backroom specialists in IT, admin, accounting ... people like me and you

So where do you come in?

### How Jim fits into the picture (contd)

# Jim and Sue Martin's presentation album (iv)

The 20 of these .....

each have all of these supporting them.....

The 20 specialists in the NASA Mission Control room have 100s of others to call on for support

In the same way you can support my work in DECLARE! as I help ensure that the rest of the staff are equipped to train others to reach the 55 million outside of the church

You can be our support team

What would it involve?

## The need for supporters

How can you make a difference?

God has called me to work with DECLARE!

He will provide what we need

We need a team who will:

- Provide financially
- Pray for us
- Encourage us

giftaid it
